

Motorcycle Cover **MOTORCYCLES \$175**

Your 'Must have' cover for 2 or 3 wheels.

* 48 hour waiting period.

M Minor Repairs and Tyre Assistance

Wherever possible, we will fix all of the usual causes of breakdown related problems such as flat tyres and flat batteries.

If major parts or factory diagnostics technology is needed, we will relocate your motorcycle to the nearest approved Repairer for further investigation.

B Battery and Parts Replacement

In the event of you needing a new battery or parts replacement to get you back on the road, 365 is able to facilitate and replace them for you, wherever you are.

All costs of replacements including your battery will be at your own expense.

T Technical Advice

Our trained assistance team will provide over the phone advice relating to getting your motorcycle back on the road. This is specifically related to any safety warnings or lights that may appear or technical and mechanical information regarding your motorcycle.

F Emergency Fuel

In the event that you run out of fuel – happens to us all – we will either provide an emergency supply of fuel up to \$10, or transport your motorcycle to the nearest service station.

T Towing

If your motorcycle is immobilised, or is not safe to drive, we will transport your vehicle to the nearest Repairer:

- up to 20 kms in metropolitan areas
- up to 50 kms round trip in regional areas

Should your vehicle need to be transported any further you will be charged in line with the attending Contractors fee. If your motorcycle is in a car park and tow height limits are an issue an extraction fee from the car park will be at your expense.

A Accident and Co-ordination Towing

If your motorcycle has been involved in an accident, we will arrange for the transportation of the motorcycle to the nearest approved Repairer or a Repairer of your preference. All costs associated with the towing and transportation of the motorcycle will be charged to you.

We will provide advice on the appropriate information required from the other parties involved in the accident such as their name, address, contact numbers, vehicle registrations, insurance details and any witness details.

Services Distance limits

A 20 kms round trip distance limit applies in Metro Areas and 50 kms round trip in Regional and Remote areas for the provision of all services. Distance travelled over and above these limits are at the expense of the member and must be paid at the time the service is provided.

Service Types are limited to:

- Minor Repair and Tyre Assistance
- Towing (round trip within the specified distances above)
- Jump Start and Battery Replacement (however Battery Replacement is at the expense of the member)
- Emergency Fuel up to limit of \$10
- Accident Coordination (this is Insurance and is to be managed by Insurance company. In the even you don't have insurance or need us to assist you we can for a TOW at your expense. This would require payment at the time of commencing to facilitate a service response for you.

Membership Validity

- 365 Roadside Assistance (365) provides membership assistance Australia-wide. Your membership is valid for the motorcycle which you nominate to us only. Membership applies to the motorcycle being driven and not the person.
- 365 requires all members to be living in and permanent residents of Australia.
- Service and benefits become effective two working days (48 hours) after receipt of payment. See cooling off period.
- Any support provided must not be pre-existing to the paid membership period. If we/the attending contractor determines that the breakdown has occurred due to mechanical faults prior to the period of membership then 365 can refuse to assist your in the provision of services or you will be asked to pay for the assistance services. Cover as a result, may not be renewed for the following term at the sole discretion of 365.
- You must remain with your motorcycle after requesting a service. If you are not in attendance with your motorcycle at the time the service provider arrives, the service cannot be supplied. Further call-outs related to the same breakdown will be considered as a separate call-out and will be at the members expense.
- It is a condition that when the provider arrives to assist the member, that the member be present.
- 365 reserves the right to withdraw or withhold services in the event a member is violent, abusive, intentionally seeks to harm 365 or any of it's service providers or attempting to receive service by deception.
- If you change your motorcycle registration number you must advise us within 7 days at support@365assistance.com.au
- If you sell your motorcycle you must provide us the new members details via email within 7 days of the sale of the motorcycle. Otherwise the membership will automatically lapse. Please notify us at support@365assistance.com.au
- You must be a private or commercial motorcycle owner/driver only and not a Uber, Taxi, Hire Motorcycle, Rental Motorcycle.
- 365 Roadside Assistance Membership covers your selected roadside assistance product for 12 months and the cover is for the motorcycle only that you declare to use when joining 365 Roadside.

Cooling Off Period

- 365 have a **48 hour** cooling off period. This means when you purchase the membership cover and on receipt of payment, the cover becomes available for use 48 hours post purchase, noting that any mechanical issues that occurred prior to joining will not be covered by 365 Roadside Assistance. Only breakdowns that occur during the membership, post the 48 hour cooling off period are able to be supported by 365 Roadside Assistance.
- This is a one-off cooling period for the initial set-up of membership. On annual renewals and plan upgrades the member will receive instant continuing coverage.
- Membership fees are non-refundable. Once purchased you have a 14 day money back guarantee, providing you do not use or call into the 365 Roadside Assistance for any case or advice. Post this period you are deemed to have 12 months cover and fees are non-refundable.

Replacement batteries

- 365 will organise for you however all costs of fitting/replacing the battery are at your cost.
- Roadside assistance is provided in the event of an unexpected mechanical breakdown. It does not cover motorcycle maintenance or permanent repairs.
- Temporary repairs may be made at the request of the member to mobilise the motorcycle (where able). However, regular maintenance or any mechanical repairs, major or otherwise, is the member's responsibility and will be at the member's expense.

Towing and Distance

- Distances shown in Special Terms and Conditions – apply to ALL services that 365 attend to. If our Service Provider has to travel further we will provide the services, however you will be required to pay the excess per km rate as quoted to you prior to the job being attended to. We will advise you of this approximate cost and get you verbal or digital (via APP/Email/Txt) acceptance prior to commencing any roadside support.
- When requesting roadside assistance you must provide the correct motorcycle details and the exact location of the motorcycle.
- If we are not able to confirm your membership or locate your motorcycle based on the information you provide to us, all services will be at your expense.
- Towing will be provided using the most appropriate equipment available (such as lift-tow or flat-top truck) as determined by 365.
- Should specialised Towing Equipment or Personnel be required (such as power winches, extended cables or hydraulic motorcycle moving jack dolly's, additional motorcycles for motorcycle park extraction etc) this service will be at the members expense – payable at time of service. We will advise you (as per the process for Towing above) and gain acceptance prior to commencing any Roadside Assistance

Coverage Service

- Roadside assistance is only available on any sealed or designated roads, accessible by standard 2-wheel drive recovery motorcycles, that the service provider deems to be safe.
- Roadside Assistance is not available for collecting, Towing salvage motorcycles, un-roadworthy motorcycles from your physical residence to a location as requested by you. Motorcycles that have 365 Roadside Assistance must be registered and roadworthy.
- Roadside assistance is only provided where the weight of the motorcycle is less than 3.5 Tonnes GVM and the length of the motorcycle is less than 5.5 metres.
- If you are located in a regional or remote location further than the nominated distances outlined in Special Terms and Conditions and require assistance, you may be charged an additional call out fee.
- The maximum 365 will cover for any one event/case is \$500. Should the support costs exceed this – you will be responsible for any costs over this \$500 amount.

Exclusions and Limitations

The provision of benefits and services under 365 Roadside Assistance is subject to the following exclusions:

- Motorcycles over 15 years of age, from the manufactures build date.
- Motorcycles with an odometer reading of 200,000 km's and over are excluded from cover. Should your motorcycle reach this maximum distance covered during your membership with 365 then we will cover you until your membership period expires. Should you renew with an odometer reading above this service will not be provided.
- Your motorcycle being unregistered and/or un-roadworthy.
- Your motorcycle being left unattended or has been stolen and is in need of recovery.
- Once 365 transfers your motorcycle to a mechanic the case is deemed to be completed. Should you OR the mechanical repairer determine the motorcycle needs to go to another location then any costs for transportation of the motorcycle is not part of the 365 roadside assistance cover and will be at your own cost.
- Your motorcycle is involved or connected to any form of motor sports.
- If your motorcycle is in an accident, this is not deemed as roadside assistance and will not be covered under this roadside membership entitlement. We are able to assist you via our customer support team in facilitating immediate support – however all costs incurred will be at the members expense.
- Any caravan or trailer that is towed by your motorcycle is not covered unless additional plans with ourselves are taken out. (Additional cover options are available including Premium Roadside Assistance (Includes cover for Trailers up-to 4 metres in Length and not more than 1.5 Tonnes) or Trailer Plus Roadside Assistance (Includes cover for Trailers up-to 5.5 metres Long and 3.5 Tonnes in weight and not more than 3 metres high, and is a Standard Cover with a Trailer specific extension). Speak to your 365 representative for options should you have any questions.
- Your motorcycle operating as taxi, rental motorcycle, limousine, Uber or hire motorcycle.
- Your motorcycle is a commercial motorcycle and travels to Mine Sites, Petroleum Depots, Airport Runways and collects/and or operates at Motorcycle Terminals.
- Service calls for your motorcycle due to motorcycle abuse or neglect (as reasonably determined by us).
- 365 reserves the right to amend prices and inclusions of policies without prior notice.
- Service calls for your motorcycle due to failure to use reasonable motorcycle with your motorcycle or failure to conduct regular preventative motorcycle maintenance or provision of inappropriate repair or maintenance to your motorcycle.
- Repeated service calls for your motorcycle due to owner/driver faults, or failure by you to comply with our instructions.
- Service calls for your motorcycle due to accidental damage.
- Service calls due to break-in (or attempted break-in) of your motorcycle.
- Service calls due to fitment of non-genuine accessories or inappropriate or incorrect fitment of parts or accessories.
- Your motorcycle being located in a remote location (this is deemed as being a location not trafficable by a two-wheel drive recovery motorcycle) or your motorcycle is located in a Restricted Access Area or not within a Service Area.
- Your motorcycle being located in a National Park and non public road.
- Bugged motorcycles. Except where access is available and is trafficable by a two-wheel drive recovery motorcycle and no other specialist equipment is necessary. Should specialist equipment become necessary, additional costs are the driver's responsibility. Drivers will be advised of this condition prior to attendance by our Service Provider and service is at 365's discretion.
- Your motorcycle being immobilised due to inappropriate maintenance, repair or use, caused intentionally or by negligence on the part of the owner, the driver or any other third party. This may also cover where 365 advised the person to replace the battery and you fail to do so, resulting in repeated jump starts for the same motorcycle.
- Key recovery limitations. In the event the member insists the motorcycle be broken into to recover keys locked inside the motorcycle, no responsibility or liability is taken by 365 or its Service Providers for any damage to your motorcycle that may occur as a result.
- Due to locksmith provider limitations, this service may not be available in all cases and locations.
- Towing limitations. If a member has received and continues to request roadside assistance or towing for a motorcycle repeatedly on an unjust and excessive number of instances, we may refuse to provide further Roadside Assistance or Towing and will then offer an alternative service at the member's expense – payable upon request of service.
- Once a Tow has been provided for a Breakdown, you must pay for any subsequent tows for the same Breakdown at Commercial Rates at the time of service. This excludes towing for a motorcycle that has been towed after hours to the member's home, a holding yard, mechanics shop or other place of safety and then needs further towing for the same breakdown.
- 365 has the absolute discretionary right to amend, change or cancel specific membership conditions, relating to business inclusions, including payment, benefits and terms.
